## **Computer Club**

The Computer Club is an educational and fun group. Our purpose is to learn more about computers. The club explores both computer architecture and new application software. ... Our mission is to promote computer programming and to expand the scope of computer knowledge within this school.

The Computer Club is one of the most active clubs; the club comprises a team of passionate and organized youths who are interested in learning about the advanced technology of the 21st century.

### **Objectives:-**

The objectives of the Computer Club are to widen the perspectives in Technology and allow them to get hands-on experiences with media. Members get to expand their horizons by learning different multimedia skills using existing software, such as Adobe Flash, Game Maker, Photoshop, Dreamweaver, Fireworks and 3D modeling software, and constantly trying out new programs. By using various software, school become more tech-savvy and efficient, which is definitely a benefit in the 21st century? Experienced and friendly trainers ensure that members are well prepared for competitions and help them through problems, should they happen to encounter any.
